Literacy & Numeracy Assessments

Literacy and Numeracy Assessments will be running all next week in the LLC. Students will be scheduled to write their Literacy 10/12 Assessment in their English 10/12 Class, and their Numeracy 10 Assessment in their Math 10 Class. Students are expected to arrive 10 minutes before the scheduled start time.

International students and students not required to write the assessments should still check in with their teachers for attendance, and then they may work quietly in the rotunda. Make-up sessions will be held primarily during January Assessment week.
